It is important that you notify the bank of the month that you wish for your loan payments to begin. Otherwise, it is standard practice that loan repayments would begin in the month following loan approval. The terms of the underlying agreement between the school and the bank require that all tuition loans for the 2017-2018 school year be paid in full by May 1, 2017.

In order to meet the school's tuition due date of May 1, 2017 (for current families),
Applications must be received by the bank
no later than **March 31, 2017**.
