

Strake Jesuit Debate Camp

You are invited to attend the 11th Annual Strake Jesuit No Limits Debate Camp. After an outstanding year last summer, we are back, better than ever. We especially encourage our middle school debaters to consider joining us this summer.

ABOUT THE CAMP:

1. **We will have two levels of labs**, one for the beginner or less experienced, one for the intermediate/more experienced debater (including the beginners who attended last year). **Cris Castillo will run the intermediate lab.** **If you attended last year and found the camp to be a useful and positive experience, come back for more advanced training.**
2. **We operate from 9:00 AM to 5:00 PM**, ensuring plenty of time for practice rounds each day!
3. We will have **access to a fully equipped computer lab** for research and case writing.
4. **Pubic Forum Camp** is back bigger and better than ever.

As before, what we promise you is that you will **learn the skills that will make you a winner** both in competition, in the classroom and for the rest of your life! We focus specifically on preparing debaters for the LOCAL Texas TFA circuit. Nobody else does this

Dates: June 5th - June 16th at Strake Jesuit College Prep , 8900 Bellaire Rd , Houston, Texas 77036.

Time: Daily form 9:00 AM to 5:00 PM.

The Camp Fee : \$400.00

You read that right, that is all it costs. **Scholarships are also available.** Contact Mr. Auzenne at mydebatemail@gmail.com

WHY THIS CAMP:

1. To train dedicated, serious debaters who can't afford the \$1,000's of dollars for a national camp.
2. Create a cadre of well trained local debaters who can share their skills with their team mates and raise the level of local circuit debate.
3. Allow our best and brightest to develop to their full potential

WHO SHOULD ATTEND ?

People who are dead serious about becoming really top notch Public Forum and LD debaters , especially on the local circuit.

Freshmen, or other SJ beginning debaters who want to get a head start on their preparation for competition, or just get a sense of what High School Debate is all about .

Rising Seventh and Eight graders who want to learn the basics of successful competitive debate.

WHO ARE THE INSTRUCTORS?

Mr. Murvin Auzenne will be camp coordinator and chief instructor. Cris Castillo is in charge of the intermediate/advanced LD lab. He is a long time fixture on the national circuit as a judge, instructor and coach with the SJ Debate program. Mr. Auzenne is the assistant coach of Strake Jesuit College Preparatory Debate Team. He has helped coach top National debaters, two TFA state champs in 2006 and 2008; two TFA runners up in 2009 and 2011; a third place finisher in 2010; and the 2008 NFL National Champion in LD; and numerous other top national debaters. He has also taught at the UT debate camp and the VBI camp.

We will also be aided by SJ varsity debaters and (maybe) some alumni as co-instructors and lab assistants.
