

## A New Afterschool Club for 6th grade girls!

Beginning Thursday, October 5, Ms. Resweber, StJP2 Technology Teacher, will offer a "Girls Who Code" club to 6th grade girls! The club is limited to 10 girls, so please complete the Google Form (linked below) to express your interest. The club will meet immediately after school until 5:30 PM. There is a one-time fee of \$10 to join; participation is free! If more than 10 girls are interested in attending the club, Ms. R. will draw names to select participants. Interest forms are DUE by midnight, Tuesday, September 26, 2017. Parents and girls will be notified by Thursday, Sept. 28 if they have been selected. Any questions? You can email Ms R: [cresweber@jp2.org](mailto:cresweber@jp2.org)

### **What is "Girls Who Code"?**

**Club girls join a safe and supportive environment of peers & role models and learn to see themselves as computer scientists. In the Club, girls learn the concepts of loops, variables, conditionals, and functions that form the basis for all programming languages. Girls work in teams to design and build an Impact Project that solves real world problems through code.**

A club for boys is coming in the second semester!
