

## GIVE THIS TO DAD!

Dear Men of St. John Paul II Catholic School,

You are invited to the first annual dad’s retreat!

On **Saturday, March 3**, we are hosting the dad’s retreat on the StJPII campus, starting in the All Saints Chapel (a beautiful, serene venue located on the second floor of the school). The program will focus on St. Paul’s timeless challenge, originally for the Corinthians 2000 years ago, but equally important to us today:

*“Watch, stand fast in the faith, be brave, be strong”*

Fr. Shelly, our school chaplain, will lead us in a day of reflection and prayer. **Our day will start at 9am, wrap up around 4pm, and include lunch.** In addition to our spiritually awakening program, you will have the opportunity to receive reconciliation and to attend mass.

Now is the time to take a break from our everyday family commitments and to focus on fatherhood and your life’s faith journey. The key topics will include:

- Topic 1: Fathers, husbands, family members: How can I best look to the Lord for guidance?
- Topic 2: Rules for leaders: how does the Lord expect me to live my faith, both in business and the world at large?
- Topic 3: How to develop an action plan together to put faith into practice in all aspects of our lives.

To cover costs, we would like to request a voluntary contribution of \$50. However simply, your attendance is truly a great gift...to your family, to our community, and to yourself!

Please RSVP to Assistant Principal Dr. Mike Weinman at [mweinman@jp2.org](mailto:mweinman@jp2.org).

We look forward to seeing you there!
