

**Course Syllabus for Parent Night  
PK-8<sup>th</sup> (2017-2018)**

**Course:** Introduction to Computer Science (6th gr wheel) **Teacher:** Ms. Resweber **Grade Level:** 6<sup>th</sup>

**Email:** [cresweber@jp2.org](mailto:cresweber@jp2.org) **Conference Time:** 11:30 - Noon - Please call or email for an appointment

**Textbook Series:** (workbooks, novels, other reading materials): No textbook series. We use a variety of resources to meet the requirements of the Archdiocesan Curriculum and the standards of the Computer Science Teachers' Association

**Topics Covered:** Digital Citizenship, Keyboarding, Scratch, Code.org, Squishy Circuits

**Expectations:** Students attend class daily for 45 minutes. I expect students to follow directions, demonstrate kindness and respect to others, and demonstrate appropriate use of classroom equipment. Students are expected to come to class ready to work, learn and put forth their best effort.

**Grading:**

- 80% Daily Participation
- 20% End-of-Course Test

**Special Projects / Events:** N/A

**Integration and Use of Computers:** Students will use computers to access course materials, perform assigned tasks, and complete projects.

**Field Trips:** N/A

**Other:** Parents may wish to access their student's Google Classroom account to view assignments or read announcements.

I encourage parents to preview all websites before allowing your child access.
